

"Patent Search" Workshop

Sunday - July 15 - 2007 to Monday - July 16 - 2007

The Arab Society for Intellectual Property (ASIP,) the World Intellectual Property Organization (WIPO,) the Jordanian Association for Pharmaceutical Manufacturing (JAPM) and the Ministry of Industry and Trade cooperated to hold the "Patent Search" Workshop.

The workshop was held for two days July 15, 2007 and July 16, 2007 at Talal Abu-Ghazaleh College of Business (TAGCB). Mr. Samer Tarawneh (Director of Economic Development Bureau for Arab Countries) carried out the opening for the workshop. And the Workshop's Speakers were Mr. William Meredith (Head of Patent Information and IP Statistics Service), and Dr. Ing. Jose Luis Herce (Deputy Director and Head of Patent Information, Classification, and Industrial Property Standards Division).

The seminar involved training the 30 participants on Patents of Inventions and showing them various searching tools for Patents on WIPO's website.
